## PRIORAT

### VIÑEDOS McALINDON E HIJOS

*In 2003 the McAlindon's dream to buy their own vineyard and make their own wine became a reality.*

*The vineyard is found in Priorat (meaning Priory), North Eastern Spain near the Scala Dei Monastery (meaning 'Ladder to God'). This area today produces some of Europe's most inspiring reds.*

*In the 12th century the Carthusian monks built a priory thus giving the name to the region. It is a very special place and a virtual viticultural paradise.*

*The McAlindons work with one of Spain's leading winemakers. Silvia Puig has made wine with some of the best Spanish wineries including the legendary Vega Sicilia.*

*The symbol for the Creu Celta wine (meaning 'Celtic Cross' in Catalan) is inspired by the exceptional 15th Century High Cross found on Devenish Island, County Fermanagh, Northern Ireland*

*Red*

**13-255**      **Viñedos McAlindon e Hijos Creu Celta 2014** (15% alc vol)      **£21.99**

The 2014 is composed mainly of Garnacha, with a decent percentage of Syrah and the blend is completed with a small proportion of Merlot. Full flavoured red with chocolate, cherry, plum, pine and smoky nuances. Rich, complex and satisfying. Great with Steak, slow cooked meat dishes, firm and hard cheeses and dark chocolate.

*"Bloody good. Lovely & refreshing. Good acidity & lovely bright fruit."* (Joe Wadsack)

*"Pronounced, youthful nose, blackberry, vanilla, black cherry, dark chocolate, sweet spice. Firm acidity allied to high but fine dusty tannins, baked dark fruit, plum jam, lovely balance of structure & fruit, oak beautifully integrated...very serious wine."* (Michael Palij M.W.)

**13-261**      **Viñedos McAlindon e Hijos Creu Celta Seleccion Especial Viñas Vieja 2007** (15% alc vol)      **£31.99**

The first vintage of Creu Celta 'Selección Especial' is made primarily from old vines Samso. It offers a full expression of classic Priorat red. Rich, layered and concentrated it has pine, chocolate, cherry, plum and vanilla notes. This is underpinned by a typical smoky minerality from aroma to palate. Creu Celta is the perfect wine for all hearty red meat and steak dishes due to the complexity of the tannin, acid and fruit balance.

## RIOJA

### RIOJA VEGA

*"The origins of Rioja Vega go back to 1882 when Don Felipe Ugalde established a bodega bearing his name in Haro. In 1948 the bodega joined with Bodegas Muerza through marriage & the name disappeared. In 1983 it was acquired by the Group Principe de Viana and construction of a new winery & a new brand, Rioja Vega, started in January 2001. The winery is located in the town of Viana, 10 km south-east of Logroño. There are also 51 hectares of Tempranillo & 9 hectares of Graciano planted around the winery, & a total of 70 hectares of vineyards is planned. The goal is to produce high quality grapes from low yields in modern surroundings.*

## PALACIOS REMONDO

*Bodegas Palacios Remondo is based in Alfaro in the Rioja Baja. This old family firm has been revitalised by the arrival of Alvaro Palacios who has already made his name, starting from scratch, with his extraordinary Priorat wines. He is now bringing the family Rioja winery to the attention of the wine world. The wines are made from their own vineyards, a rarity in Rioja. After more than proving himself in Priorat, he took over the home ranch after the death of his father in 2000 and slowly, surely, year on year, things in Rioja keep getting better. Vineyards are now farmed organically and many biodynamic principles are being followed. Here, Garnacha, more than Tempranillo, reigns supreme and it is from here that Spanish rusticity and spice would be contributed to blends.*

*"Marvellous vineyards, including nearly 70% of Grand Cru Musigny, and some exceptionally fine wines in the distant and more recent past...the 90's have gone up several gears. Meticulous attention to detail and rigorous quality control are clearly there - the Bourgogne Blanc and Chambolle Musigny Premier Cru are nothing less than declassified Musigny Blanc and Musigny - while Francois Mil let's winemaking is making waves. It all starts with low yields and adaptability to the conditions of the year, though the proportion of new oak has not been higher than 30 or 40 % since 1990. It ends with the excellent, classy wines we have been seeing over the last few years." (Wines of Burgundy, Serena Sutcliffe 2005)*

## CÔTES MACONNAIS

### VINS AUVIGUE

*Vins Auvigue is a small domaine run by highly respected winemakers Jean-Pierre and Michel Auvigue in Pouilly-Fuissé in Burgundy. The family have been working their vineyard below the hill of Solutre for generations and the grapes come from the family estates or are ones that are carefully selected from the best areas of the Pouilly-Fuissé, St Veran and Macon appellations. Jean-Pierre and Michel believe in adapting the vinification process to suit the grapes coming from each piece of land in order that the climates of Les Crays, La Frairie and Les Chailloux are allowed to give their best. Their wines regularly appear in the French wine guides La Revue des Vins and Le Guide Hachette as well as on the menus of venues such as Maxims in Paris. In fact, so sought after are their wines that new releases quite often sell out within days.*

**04-550 Auvigue Mâcon-Villages 2014 (13% alc vol) £14.99**

"I can't keep my hands off an Auvigue Macon." (Cynthia Hurley, La Route du Vin) A wine that shows Burgundy can produce value. Floral and citrus notes on the bouquet. Superb purity.

**04-526 Loron Viré-Clessé Vieilles Vignes 2014 (13% alc vol) £15.99**

Viré and Clessé are two villages of the Southern Burgundy. This organic Viré-Clessé is a wine with a clear and brilliant colour. Its nose has an immediate and pleasant bouquet of honeysuckle and broom, together with notes of verbena and mint. Very well-balanced, it reflects the typicity of its terroir, fresh, round and mineral. Ideal with various entrées and seafood.

**03-696**      **Domaine de Vauroux Chablis 2015** (12.5% alc vol)      **£17.99**

Aromatic with clean mineral notes and hints of citrus. The palate is medium bodied with crisp, appley acidity, tight, pure fruit flavours of white peach and pears finished with a classic, steely, dry finish. Sourced from 27 hectares of vineyards selected for their south-easterly and south-westerly aspects.

**03-717**      **Domaine de Vauroux Chablis Montée de Tonnerre 2012 1er Cru** (13% alc vol)      **£26.99**

"GOLD MEDAL" (Chardonnay du Monde 2012) The Montée de Tonnerre Premier Cru lies on the right bank of the Serein river and can rival many Grand Cru Chablis sites in quality. Hints of matchstick, drying golden fruits. & an appealing stony minerality on the nose. The palate is full, with well-balanced and rather robust and high-toned fruit mixed with a firm acidic backbone. There are certainly complexities here, elements of bacon and dried fruit...really good stuff.

## INAMA

*"Inama makes some of the richest whites in Veneto ... The top bottlings (Soave Vigneto di Foscari and Vigneto du Lot) are aged in French oak and see frequent batonnage (stirring of the fine lees), which gives the wines much of their signature depth. All of the Soaves are 100% Garganega." (Antonio Galloni, eRobertParker.com # 185) "Inama has picked up a string of awards and plaudits from the world's wine press for wines which have put the sometimes maligned name of Soave on the quality map." *Paitin is one of the most venerable Barbaresco estates in the Neive area, with a winemaking history going back to the 18th century and Benedetto Elia's purchase of two hectares in Serra Boella. Currently the estate is overseen by father Secondo and brothers Giovanni and Silvano along with consulting enologist Beppe Caviola. With 17 hectares of vineyards in the coveted Bricco di Neive section of Barbaresco and in the Roero, Paitin produces wines with uncommon flavour, silkiness and power.*

### LA PIEVE

*From the unassuming Simone Tognetti. Producer of impossibly good value Chianti. With its intense colour and pronounced aromas of black cherry and truffle this Chianti is a real find. The secret lies in the extraordinary exposure of the 16 ha vineyards: an almost perfect amphitheatre at 500 metres above sea level. The geography guarantees ripeness and alcohol whilst the altitude preserves the acidity. The blend is a traditional Tuscan mix of Sangiovese (90%), Canaiolo (5%) and Colorino (5%) fermented in stainless and aged in cement. The Fortebraccio is essentially a Riserva but carries no such moniker and a correspondingly modest price tag.*

**12-295      La Pieve Chianti 2015 (13.5% alc vol)      £13.99**

**ORGANIC** with pure fruit/cherry swirl aromas and flavours, good structure and all important balance.. From the emerging region of Montaione.

**ORGANIC.** Made from 100% Sangiovese grapes from the very best of La Pieve's vineyards.

### MASI RENZO

*Paolo Masi is everything we look for in a modern Tuscan winemaker: ambitious, forward-looking and innovative but also hugely passionate about the traditions of his region. His Chianti Rufinas are among the best of their type, far better than most of the Classics we have come across, whilst the Super Tuscan Il Corto is a textbook marriage of the local Sangiovese and the international Cabernet Sauvignon at an affordable price. The Masi family has been making wine for three generations.*

**12-305      Masi Renzo Poggerissi Rosso di Toscana 2015 (13% alc vol)      £8.49**

## CAMPANIA

### TERREDORA

*Terredora was founded, and is still run today, by the Mastroberardino family. This is one of the most historical "wine families" in Campania, dating back to the 700's, and officially registered with the Chamber of Commerce in 1868. In the early 1990's, the family divided and Terredora was formed by one of the two Mastroberardino brothers, Walter, with his children, Paolo, Lucio and Daniela. Since the beginning, this part of the family had ownership of the majority of the vineyards, which now total to just over 200 hectares. Terredora therefore is one of the largest producers in Campania, with most of the wines produced from their own grapes. They have won many prestigious awards and 2013 Terredora won "Best International Company" at Vinitaly.*

## CRAMELE RECAS

From 1722 until 1786, Recas attracted waves of immigration from Schwaben region of Bavaria, and the partnership of Romanians and the Schwaben people completed the foundations for a wine legend-generous sunshine, hard working and skilled people and the exceptional qualities of the rich land. Winemaking team-Hartley Smithers from Australia, and Nora Iriate from Spain,- together veterans of over 50 harvests in all the worlds wine producing regions,- oversee the production of all the wines from grapes till bottle with a fanatical attention to detail.

"The wines here are of very good quality, and with its thriving visitor and conference facilities and the proximity to the boom town of Timisoara, Recas could be regarded as something of a role-model for Romanian wine." (Tom Cannavan, <http://www.wine-pages.com>) "Here, at Cramele Recas, Philip Cox, a man from Bristol who headed out to Romania in the early days of freedom, presides over 600 hectares of vineyard and a thriving winery which is bristling with EU-funded signs." (Yorkshire Post 16 June 2009)

## MENDOZA

### LUIGI BOSCA

*Luigi Bosca was founded in 1901 when Saturnino Arizu purchased a flour mill so as to convert it to use as a winery. Today the extensive subterranean tunnels used to bring water from the Mendoza river to operate the water-mill are now used as dark cellars where wine reposes, achieving its optimum maturation. In 1984 Luigi Bosca's wines entered the international market. The Arizu family aims to keep its traditional values of quality and prestige that have been cultivated over the last 100 years. They add new elements of innovation and technology to offer the best wines of Argentina. They have lots of vineyards in prime bits of Mendoza. In all, the Luigi Bosca estate has around 400 hectares of vines in Luján de Cuyo and Maipú.*

## SANTA ANA

*The story of Santa Ana is one of constant evolution and development, from the winery's foundation by Italian émigré and winemaking pioneer Luis Tirasso in 1891, to the company's leadership in the Argentinian market in the late 1970s and its exploration of overseas destinations in the years since. Now sold in more than 50 countries all over the world, the secret of Santa Ana's success lies firmly in the vineyards: winemaker Rodolfo 'Opi' Sadler has access to a vast array of quality fruit sourced from all over Mendoza.*

### M-A-N FAMILY WINES

**M·A·N** *Family Wines*

*M·A·N Family Wines began in 2001 when three friends got together with the aim of making wine that they'd love to buy - quality wine with smart packaging, but at price they could afford. Next they needed a name that would unite their three families, but particularly appeal to their wives after they'd unsuccessfully convinced them that their winemaking venture was a sacrifice rather than a lot of fun. To keep the peace in the families, they took their wives' initials - Marie, Anette and Nicky – to create M·A·N Family Wines.*

*Owners José Conde and brothers Tyrrel and Philip Myburgh are supported by 30 dedicated grape growers from the Agter-Paarl region who are also shareholders in the business. All M·A·N growers are accredited as environmentally sustainable and socially responsible farmers by the South African Integrated Production of Wine (IPW) scheme and the South African Wine Industry Ethical Trade Association (WIETA).*

## HENRI ABELÉ

*Henri Abelé is one of Champagne's oldest Houses founded in 1757. It was served onboard the Titanic which left Belfast on the 2nd April 1912. Interestingly, marine archaeologists have recovered over 7000 artefacts from the wreckage of the ship including a bottle of Henri Abelé Champagne. Maison Abelé has two kilometres of underground cellars dug out of solid chalk in the heart of Reims.*

---------------	--	---------------

"90/100." (Wine Spectator) A big, plush, yeasty nose sends sweet notes of cracker and toast above lime and mineral; the flavors that follow are forward, round and rich. Hints of mango and papaya fruit lead into a sensuous, lightly spicy, thoroughly satisfying finish.

"GOLD MEDAL WINNER. A seductive come-hither nose of hazelnut, sour honey and Mirabelle plum. An ethereal character of lime and wild strawberry with a gentle mousse and silky texture. Highly concentrated with very firm acidity and a subtle, long, ripe and spicy finish." (Decanter World Wine Awards)
